Sold between October 2016 and March 2018.

**Importer:**

The Source (Bell) Electronics Inc.

**Manufactured in:**

China

**Description:**

The power banks present a risk of overheating when plugged-in.

**Hazard:**

If the power banks overheat, it could result in injury or property damage.

**Remedy:**

Customers should stop using the impacted power banks immediately. As of Friday, March 16, 2018, customers may return the power bank to the nearest The Source retail location for a full refund or exchange for another product. A credit equivalent to the original purchase price of the product will be applied to the exchange or new purchase.
