

# LIGHTNING TOWER

## Operating Instructions

### TO USE

Carefully unpack the lightning tower from the package and place the product on a horizontal surface. Connect the adapter plug to the base and slide the selector switch to the ON position.

### AUDIO MODE

Slide the selector switch to the AUDIO position. The lightning tower will react to ambient noise.

### HOW IT WORKS

The lightning lamp contains a gaseous mixture. The base produces high frequency electromagnetic waves that cause the gases to turn into plasma, which is an ionized gas. The ions produced emit energy in the visible region and appear as lightning "streamers".

The lightning lamp responds to touch. The lightning is attracted to your hand as it comes near it and touches the lamp.

You may feel a slight tingling sensation, which is caused by the vibrations on the glass lamp as the electrons strike the surface of the lamp.

### IMPORTANT SAFE GUARDS

- Use AC 12V 840mA adapter only (included)
- In order to avoid personal injury or product damage, do not attempt to remove the glass bottle from the base
- To prevent from fire or shock hazard, do not expose this product to rain or moisture. Never immerse the unit into water
- Keep away from children and pets
- Allow adequate ventilation. Never place product near a radiator, heat system, or near a fireplace
- Clean the unit with a soft cloth. Before cleaning, turn the selector switch to "OFF" and disconnect the AC adapter
- If the unit is dropped, causing obvious breakage, unplug it immediately
- If damage is suspected or if the product exhibits a distinct change in performance, discontinue use immediately
- If the product will not be used for an extended period, unplug it from the power source. Keep other objects from coming in contact with the glass bottle
- If the lamp is operated for an extended period it can cause damage to the device. It is not recommended to operate this lamp more than 4-6 hours at a time
- The appearance of white film in the tower is a part of the product and is meant to enhance performance
- For indoor use only

## THE SOURCE - WARRANTY

The Source warrants that this product will be free from defects in materials and workmanship for a period of six (6) months from the date of purchase. Within this period, simply take the product and your proof of purchase to any The Source store or participating dealer and the product will be replaced (where available) without charge. Any product which has been subject to misuse or accidental damage is excluded from this warranty.

This warranty is only applicable to a product purchased through The Source company-owned stores or participating dealers in Canada where the warranty is included with the product. While this warranty does not confer any legal rights other than those set out above, you may have additional statutory rights which will vary under the laws of the various countries, states, provinces and other governmental entities in which The Source operates. This warranty is subject to all statutory rights you may have in Canada.
