

OWNER'S MANUAL —

Before installing and using the product, please read the instructions thoroughly and retain them for future reference.

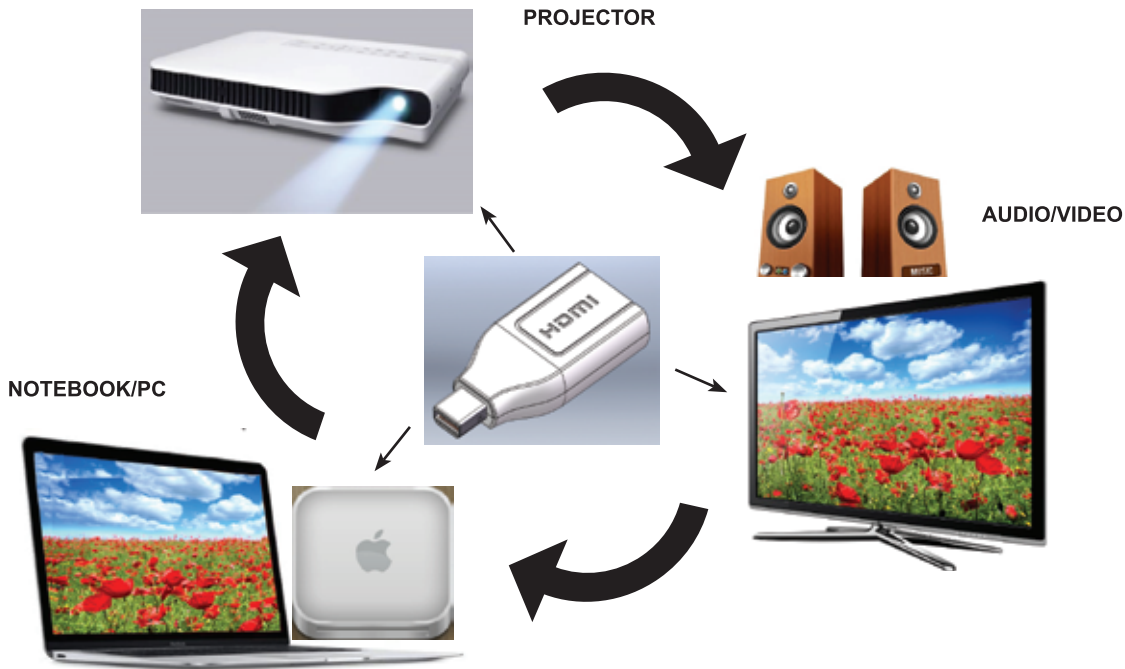

8062705

PRODUCT DESCRIPTION:

This adapter allows the Mini Display Port video output of a laptop to connect to the HDMI input of a display and is perfect for applications including displaying video on a HDTV, projector or monitor, on a desktop or in a meeting room.

The Mini Display Port to HDMI adapter can connect a Mini Display port equipped laptop or tablet to a projector, monitor or HDTV with a HDMI input port. The compact design makes this adapter ideal for travel and business.

The plug and play adapter does not require drivers for installation.

THE SOURCE - WARRANTY

The Source warrants that this product will be free from defects in materials and workmanship for a period of twelve (12) months from the date of purchase. Within this period, simply take the product and your proof of purchase to any The Source store or participating dealer and the product will be replaced (where available) without charge. Any product which has been subject to misuse or accidental damage is excluded from this warranty.

This warranty is only applicable to a product purchased through The Source company-owned stores or participating dealers in Canada where the warranty is included with the product. While this warranty does not confer any legal rights other than those set out above, you may have additional statutory rights which will vary under the laws of the various countries, states, provinces and other governmental entities in which The Source operates. This warranty is subject to all statutory rights you may have in Canada.
