8. USB charging port
9. Aux in
10. Reset

PRODUCT OVERVIEW

You can use this item with iPad®, iPhone®, iPod® devices and many types of smartphones to stream music, and enjoy handsfree calling. In order to get the best results when using this device, please read this manual first before using. This unit has IP65 rating: Dust tight, protected against jetting water. **Do not submerge in water.**

PAIRING

1. Make sure your Bluetooth® audio source is held within 10 metres of your speaker.
 2. Press and hold the Power ON/OFF button until you hear a beep. The blue LED will flash.
 3. Enable your Bluetooth® device, and make sure it is in searching mode.
 4. Select "HR Titan" from the list of discovered Bluetooth® devices on your smartphone. Once paired, the speaker will beep and the blue LED will stay ON.
 5. You can now listen to your music or make/receive telephone calls on the speaker.
 6. While playing music, to increase or decrease the volume, long press the + or - button. To change to previous/next song, short press the + or - button.
 7. To turn the speaker OFF hold the Power ON/OFF button, you will hear a short beep.
- Tip:** The next time when you switch the speaker ON it will connect automatically as long as your Bluetooth® function is switched ON on your audio device. The speaker will beep. When you disconnect the speaker while paired, the blue LED light will start to blink, the speaker has entered into pairing mode. If there is no device paired within 15 minutes the speaker will turn OFF.

PAIRING BY ONE-TOUCH CONNECTION WITH NFC

1. Enable the NFC function on your device.
2. Use your NFC-enabled device and touch the NFC logo on the speaker.
3. Confirm the NFC connection on your device. This will vary depending on your device, check your device manual for compatibility.
4. The speaker will beep when pairing is successful.

CHARGING

This speaker has a built-in rechargeable Li-Ion battery. Fully charge the speaker before first use. Charge the battery as follows:

1. Connect one end of the included USB charging cable to the charging port on your speaker. Then plug the other end of the USB charging cable into a suitable port on your computer or 5V/1A power adapter (sold separately).
 2. The red LED light will turn ON. When the charge is complete the red LED light will turn OFF.
 3. It will take approximately 6 hours to fully charge the speaker by 5V/1A power adapter (sold separately).
- Tip:** When battery is low the speaker will beep every 30 seconds. Charge the speaker.

HANDSFREE SPEAKERPHONE

- When a smartphone is connected to your speaker follow the steps below to take calls handsfree.
1. If there is an incoming call while streaming music, the speaker will beep to notify the call.
 2. Short press the ☎ button to pick up the call.
 3. Short press the ☎ again to hang up the call.
 4. Long press the ☎ button to reject the call.

AUX-IN

1. Use the supplied 3.5mm cable to connect the speaker directly with your device.
- Tip:** AUX-IN will take priority.

TO PLAY MUSIC FROM YOUR PC OR LAPTOP

After pairing the device to your PC or laptop, right-click on the speaker icon on the lower right hand corner of the task bar, select "Playback devices". Under the "Playback" tab, the paired device will show within the list. To connect it, click on the device to set it as the default device. The audio will start to play from the paired device.

UNDERSTANDING THE LED STATUS LIGHTS
