

## WHAT'S INCLUDED:

- Wireless audio receiver
- Micro USB charging cable
- Instruction manual

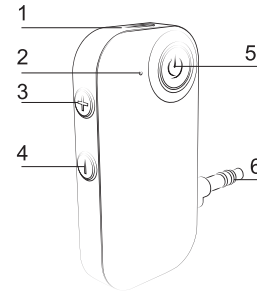

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth® SIG, Inc. and any use of such marks by The Source (Bell) Electronics Inc. is under license. Other trademarks and trade names are those of their respective owners.

### FEATURES:

1. Bluetooth® 4.0 supports A2DP
2. Hands-free calling
3. Plug and play, no driver or software required
4. Built-in rechargeable battery
5. Up to 7 hours of playback

### COMPONENT IDENTIFICATION:

1. USB charging port
2. LED indicator
3. Volume up/Next track
4. Volume down/Previous track
5. MFB (multi-function button)
6. 3.5mm audio plug

### PRODUCT OVERVIEW

Pair your Bluetooth®-enabled device and connect this receiver to your car. Wirelessly stream music and take hands-free calls from your smartphone or Bluetooth®-enabled device.

### CHARGING

When you use this receiver for the first time, or you haven't used it for a long period of time, charge the battery. It will take approximately 2 hours to fully charge.

- The LED will flash red when the battery gets low
- Charge the receiver with the included USB charging cable. Use a suitable port or 5V/1A power adapter (sold separately)
- The LED will turn red while charging, and turn OFF when charging is complete

### PAIRING

This receiver must be paired to a Bluetooth®-enabled device before you plug it in to your car. Pair first, then connect it to your vehicle's AUX IN. Pairing range is approximately 10m (33ft.), and obstacles between the receiver and the Bluetooth® device may reduce this range.

1. Turn your receiver ON by pressing the MFB button. The LED will flash blue and red. After ten seconds, it will enter pairing mode.
2. Enable the Bluetooth® function on your device and find and select "VITAL 8075521" in the detected device list. Enter "0000" when prompted for a password (if necessary). When your device is successfully paired, the LED indicator will flash blue slowly.

**NOTE:** The receiver will automatically connect to your paired device on the next use, as long as your device is ON and within range. If no Bluetooth® connects within ten minutes, the receiver will automatically turn OFF to save power.

### HANDS-FREE CALLS

When a smartphone is paired to this receiver, you can make and receive phone calls through this device.

- Press the MFB to answer an incoming call and press it again to end
- Press and hold the MFB button to reject an incoming call
- Double press the MFB to redial the last number called

**NOTE:** If music is playing and you receive an incoming call, the music will stop. It will resume playing when the call ends.

### OPERATING INSTRUCTIONS

TO	DO THIS
Power ON	Press and hold the MFB.
Power OFF	Press and hold the MFB.
Adjust the volume	Press the +/- buttons.
Next track	Press and hold the + button.
Previous track	Press and hold the - button.
Bluetooth® pairing	Automatically enters pairing mode when powered ON.
Answer a call	Press the MFB.
End a call	Press the MFB again.
Reject a call	Press and hold the MFB.

### PLAYBACK

1. To start playback, press the MFB. Press the MFB to pause playback. A passenger may also play and pause the music through the Bluetooth®-connected device.
2. Press and hold both the MFB and the + button simultaneously to switch the receiver into standby mode.

### WARNINGS

- **DO NOT** use this apparatus near water or moisture
- **DO NOT** install near any heat sources such as radiators, stoves, or other apparatus (including amplifiers) that produce heat
- **DO NOT** block any ventilation openings
- **DO NOT** install equipment in a confined space
- Clean only with a dry cloth
- Only use attachments/accessories specified by the manufacturer
- Refer all servicing to qualified personnel

#### INDUSTRY CANADA RSS 247

This device complies with RSS-247 of Industry Canada. Operation is subject to the following two conditions:

- (1) this device may not cause interference, and
- (2) this device must accept any interference, including interference that may cause undesired operation of the device.

This digital apparatus does not exceed the Class B limits for radio noise emissions from digital apparatus set out in the Radio Interference Regulations of Industry Canada.

IC Number: 255A-8075521

#### THE SOURCE - WARRANTY

The Source warrants that this product will be free from defects in materials and workmanship for a period of twelve (12) months from the date of purchase. Within this period, simply take the product and your proof of purchase to any The Source store or participating dealer and the product will be replaced (where available) without charge. Any product which has been subject to misuse or accidental damage is excluded from this warranty.

This warranty is only applicable to a product purchased through The Source company-owned stores or participating dealers in Canada where the warranty is included with the product. While this warranty does not confer any legal rights other than those set out above, you may have additional statutory rights which will vary under the laws of the various countries, states, provinces and other governmental entities in which The Source operates. This warranty is subject to all statutory rights you may have in Canada.
