

# RAINBOW BUNNY LIGHT

Instruction Manual

8081441

## INCLUDED

- Colour-changing bunny light
- Micro USB charging cable
- Instruction manual

## COMPONENT IDENTIFICATION

## CHARGING

1. Connect the included charging cable to the lamp's rear charge port.
2. During charging, the LED will turn red.
3. When the lamp is completely charged, the LED will turn green.

## OPERATING INSTRUCTIONS

1. Turn the lamp ON. The light will be white.
2. Tap the lamp to switch to colour-changing mode. The lamp will cycle through the colours in the following order: red, green, blue, yellow, purple, light blue and white.
3. To stop cycling through the colours, tap the lamp at any point in the cycle to remain on the current colour.

## SPECIFICATIONS

Working Voltage: 5V, 550mA

Battery Power: 300mAh

## THE SOURCE - WARRANTY

The Source warrants that this product will be free from defects in materials and workmanship for a period of six (6) months from the date of purchase. Within this period, simply take the product and your proof of purchase to any The Source store or participating dealer and the product will be replaced (where available) without charge. Any product which has been subject to misuse or accidental damage is excluded from this warranty.

This warranty is only applicable to a product purchased through The Source company-owned stores or participating dealers in Canada where the warranty is included with the product. While this warranty does not confer any legal rights other than those set out above, you may have additional statutory rights which will vary under the laws of the various countries, states, provinces and other governmental entities in which The Source operates. This warranty is subject to all statutory rights you may have in Canada.
