

INCLUDED

- 5000mAh power bank
- Micro USB charging cable
- Instruction manual

GETTING STARTED

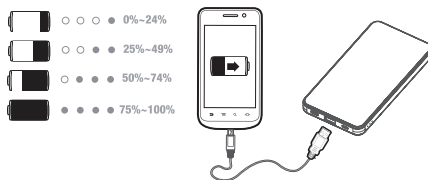

CHARGING YOUR POWER BANK

Use the included charging cable to fully charge the power bank before first use.

- The white LED will blink while the power bank is charging
- The white LED will remain ON once charging is complete
- Unplug the power bank once it is fully charged
- Four white LEDs will remain ON when charging is complete

CHARGING YOUR DEVICE

Connect your device to the power bank using the included micro USB charging cable; charging will commence. White LEDs will display the current battery life of the power bank while it is charging.

THE SOURCE - WARRANTY

The Source warrants that this product will be free from defects in materials and workmanship for a period of twelve (12) months from the date of purchase. Within this period, simply take the product and your proof of purchase to any The Source store or participating dealer and the product will be replaced (where available) without charge. Any product which has been subject to misuse or accidental damage is excluded from this warranty.

This warranty is only applicable to a product purchased through The Source company-owned stores or participating dealers in Canada where the warranty is included with the product. While this warranty does not confer any legal rights other than those set out above, you may have additional statutory rights which will vary under the laws of the various countries, states, provinces and other governmental entities in which The Source operates. This warranty is subject to all statutory rights you may have in Canada.
