FEATURES

Harness the power of LED light with this flashlight and headlamp combo pack. It features a 7-LED headlamp, complete with head-strap, and a 9-LED aluminium flashlight. Perfect for camping trips, hikes, holidays, hobbies, and much more!

GETTING STARTED

9-LED flashlight

- Twist off bottom of flashlight and remove battery case
- Insert 3 AAA batteries (sold separately) following polarity shown
- Return battery case into flashlight with arrow pointing in
- Replace bottom and press button to turn ON and OFF

7-LED headlamp

- Twist side of headlamp to open position and remove battery case.
- Insert 3 AAA batteries (sold separately) following polarity shown
- Return battery case into headlamp with arrow pointing in
- Replace side cover
- Press button on the other side cover to turn the light ON
- Press again to increase the brightness. There are 3 levels of brightness and a flashing emergency light
- Adjust the elastic straps to ensure a snug fit
- Headlamp can be moved up and down to the desired lighting angle

BATTERY WARNINGS

- Requires 6 x AAA 1.5V batteries (sold separately)
- Batteries should only be replaced by an adult
- Alkaline batteries are recommended
- **DO NOT** mix old and new batteries
- **DO NOT** mix alkaline, standard (carbon-zinc) or rechargeable (nickel-cadmium) batteries
- **DO NOT** re-charge non-rechargeable batteries
- Rechargeable batteries are only to be charged under adult supervision
- Rechargeable batteries are to be removed from the product before being charged
- Ensure batteries are inserted with the correct polarity
- Exhausted batteries should always be removed
- The terminals should not be short circuited
- Remove the battery cover and insert batteries. Replace battery cover before use
