5. Decrease volume/Previous track
6. Increase volume/Next track
7. LED indicator
8. USB-C charging port
9. Microphone

**PRODUCT OVERVIEW**

You can use this item with any compatible, Bluetooth®-enabled device to stream music and enjoy hands-free calling. Please read this manual first before using. This speaker has an IPX5 rating: protected against low pressure water jets from all directions.

**OPERATION**

TO	DO THIS
Power ON/OFF	Press and hold the  button.
Play/pause	Press the  button to pause, press again to resume.
Next track	Press and hold the  button for 2 seconds.
Previous track	Press and hold the  button for 2 seconds.
Increase volume	Press the  button.
Decrease volume	Press the  button.
Answer call	Short press the  button.
End/reject call	Press the  button.
Switch LED lighting options	Long press the  button to power OFF the light, then short press it to power ON the light. Short press the  button to switch to the other LED lighting effect options. When playing music, there are 6 lighting effect options. When no music is playing, there are 4 lighting effect options.

**CHARGING**

Use the included charging cable to fully charge the speaker before first use. It will take approximately 6 hours to fully charge.

- The red LED will be ON while the speaker is charging
- The red LED will turn OFF once charging is complete
- If the speaker is turned ON while charging, the red LED will flash

**PAIRING**

1. Press and hold the  button to turn the speaker ON/OFF.
2. Turn Bluetooth® ON in your device settings and select "HRSP 5042".
3. Once paired successfully, the LED will be ON and the speaker will beep.
4. If you fail to pair your device or you want to pair it with a new device, please repeat the steps outlined above.

NOTE: While in pairing mode, the speaker will beep. If there is no device paired within 15 minutes the speaker will turn OFF. To un-pair, press and hold the  button or disconnect in your device settings.

NOTE: The speaker will automatically pair with previously paired devices provided that Bluetooth® is ON and within range. The speaker will chime to indicate that it has been successfully re-paired.

**TWS (TRUE WIRELESS STEREO) CONNECTION**

Connect two HRSP 5042 speakers for a true wireless stereo experience. To connect:

1. Ensure neither speaker is connected to your device via Bluetooth® and turn Bluetooth® OFF on your device.
2. Turn both speakers ON and double press the  button on either of the two speakers. The speaker will beep (this is the master speaker). The speaker will beep again to indicate that TWS pairing is successful. The LED light on the master speaker will flash quickly; the LED light on the other speaker will be ON.
3. Turn Bluetooth® ON in your device settings and select "HRSP 5042".
4. Press and hold the  button to turn both speakers OFF.

NOTE: The two speakers will automatically pair to each other each time they are turned ON. If you want to cancel automatic TWS pairing, after TWS has been connected, press and hold the play/pause button on either of the speakers for 3 seconds.

**HANDSFREE SPEAKERPHONE**

When a smartphone is connected to your speaker follow the steps below to take calls handsfree.

1. Press the Play/Pause  button to answer the call, then press the power ON/OFF  button to end the call.
2. Press the power ON/OFF  button to reject the call.
