

The Source recalls certain Nexxtech Power Banks

BARRIE, ON, March 15, 2018 – The Source today announced it is recalling five models of Nexxtech Power Banks sold between October 2016 and March 2018. The impacted models are:

NEXXTECH 6000MAH Power Bank	8047795 / 108047795
NEXXTECH 8000MAH Power Bank	8047796 / 108047796
NEXXTECH 10000MAH Power Bank	8047797 / 108047797
NEXXTECH 6000MAH Wireless Power Bank	8061303 / 108061303
NEXXTECH 16000MAH Power Bank	8062742 / 108062742

The power banks present a risk of overheating, which could result in injury or property damage.

Customers should stop using the product immediately and return it to any The Source location beginning Friday, March 16 for a full refund or exchange for another product. For exchange or new purchase, a credit equivalent to the original purchase price of the product will be applied.

For more information, please visit thesource.ca or contact us at 1-866-515-5855.

Product safety is a top priority at The Source, and we apologize to our customers for this issue.
