\* Type Cover, Microsoft Office and some software sold separately.

1 Streamlined for security and superior performance. Windows 10 S works exclusively with apps from the Windows Store. Some accessories and apps compatible with Windows 10 may not work, and performance may vary. Certain default settings, features, and apps cannot be changed. Easily and affordably switch to Windows 10 Pro at any time. Learn more at Microsoft.com/Windows10S.

2 Office applications install from the Windows Store and are currently in preview on this device. Must activate within 180 days. Offer ends 10/15/2017. Learn more about Office 365 Personal.

3 Colours available on i5-7200U 8GB/256GB model only; available colors may vary by store.

4 Sold separately.

5 Up to 16 hours of video playback. Testing conducted by Microsoft in August 2016 using preproduction Intel Core i7, 1TB, 16GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.

6 System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1GB = 1 billion bytes. See surface.com/storage for more details.

7 Up to 14.5 hours of video playback. Testing conducted by Microsoft in April 2017 using preproduction Intel Core i5, 256GB, 8 GB RAM devices. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.

8 Up to 13.5 hours of video playback. Testing conducted by Microsoft in April 2017 using preproduction Intel Core i5, 256GB, 8 GB RAM device. Testing consisted of full battery discharge during video playback. All settings were default except: Wi-Fi was associated with a network and Auto-Brightness disabled. Battery life varies significantly with settings, usage, and other factors.
